

Project Report – Powai Lake Clean-up Drive

Project Name: Powai Lake Clean-up Drive

Date: 5 June 2021 (World Environment Day)

Location: Powai Lake, Mumbai

Organized by: Earthmai Foundation

Project Summary

On 5 June 2021, Earthmai Foundation organized a clean-up drive at Powai Lake with the support of **15 volunteers**. During the activity, approximately **15 kg of plastic waste** was collected and safely disposed of.

Environmental Impact

- Removed 15 kg of plastic waste from the lake surroundings.
- Helped reduce the risk of plastic entering the

lake ecosystem.

- Contributed to protecting birds, fish, and other aquatic life from plastic pollution.
- Promoted a cleaner and healthier environment.

Community Impact

- Raised awareness among local residents and visitors about responsible waste disposal.
- Encouraged people to avoid single-use plastics and keep public spaces clean.
- Inspired community participation in environmental conservation activities.

Volunteer Participation

- **Total Volunteers: 15**
- **Plastic Waste Collected: 15 kg**

Conclusion

The Powai Lake Clean-up Drive was a successful environmental initiative that improved the cleanliness of the area, spread awareness about plastic pollution, and encouraged community responsibility towards protecting natural water bodies.

Project Report – Tree Plantation Drive

Project Name: Tree Plantation Drive

Date: 1 August 2021

Location: Bhandup, Mumbai

Organized by: Earthmai Foundation

Project Summary

On 1 August 2021, Earthmai Foundation organized a tree plantation drive in Bhandup with the participation of **50 volunteers**. A total of **150 native tree saplings** were planted to increase green cover and promote environmental sustainability.

Environmental Impact

- Planted **150 trees** to enhance the local green ecosystem.
- Contributed to improving air quality and increasing oxygen levels.
- Supported biodiversity by creating habitat for birds and small wildlife.
- Helped reduce urban heat and improve the local microclimate.
- Strengthened long-term efforts to combat climate change through carbon absorption.

Community Impact

- Encouraged environmental awareness and community participation.
- Inspired citizens, especially youth, to take responsibility for protecting nature.
- Promoted the importance of tree plantation for a cleaner and healthier future.
- Enhanced the beauty and ecological value of the local area.

Volunteer Participation

- **Total Volunteers:** 50
- **Trees Planted:** 150

Conclusion

The Tree Plantation Drive was a successful community initiative that increased Bhandup's green cover, encouraged environmental

stewardship, and created a positive long-term impact on both the environment and the local community.

Project Report – Road Safety Awareness Drive

Project Name: Road Safety Awareness Drive

Date: 17 October 2021

Location: Mumbai

Organized by: Earthmai Foundation

Project Summary

On 17 October 2021, Earthmai Foundation organized a **Road Safety Awareness Drive** with the participation of **25 volunteers**. The initiative aimed to educate pedestrians, motorists, and the general public about the importance of

following traffic rules and practicing safe road behavior.

Community Impact

- Created awareness about road safety rules and responsible driving.
- Encouraged the use of helmets, seat belts, and adherence to traffic signals.
- Educated pedestrians on safe road-crossing practices.
- Promoted responsible road behavior to help reduce accidents and save lives.

Volunteer Participation

- **Total Volunteers: 25**

Outcome

- Increased public awareness regarding traffic

safety.

- Encouraged community members to adopt safer road practices.
- Strengthened community participation in promoting a culture of road safety.

Conclusion

The Road Safety Awareness Drive was a successful initiative that educated the public on safe road practices and reinforced the importance of following traffic rules for the safety of everyone.

Project Report – Grocery Distribution Drive

Project Name: Grocery Distribution Drive

Date: 4 November 2021

Location: Bhandup East, Mumbai

Organized by: Earthmai Foundation

Project Summary

On 4 November 2021, Earthmai Foundation organized a grocery distribution drive in **Bhandup East** with the support of **10 volunteers**. The initiative aimed to provide essential food supplies to families in need and support their daily nutritional requirements.

Distribution Details

- **Sugar:** 100 kg
- **Rava (Semolina):** 100 kg
- **Maida (Refined Flour):** 50 kg

Community Impact

- Supported economically vulnerable families

with essential food items.

- Helped reduce the burden of household grocery expenses.
- Promoted community welfare and social responsibility.
- Encouraged volunteerism and compassion towards those in need.

Volunteer Participation

- **Total Volunteers: 10**

Conclusion

The Grocery Distribution Drive successfully provided essential food supplies to needy families in Bhandup East and reflected Earthmai Foundation's commitment to community welfare, food security, and humanitarian service.

Project Report – E-Shram Card Registration Drive

Project Name: E-Shram Card Registration Drive

Date: 16 January 2022

Location: Mumbai

Organized by: Earthmai Foundation

Project Summary

On 16 January 2022, Earthmai Foundation organized an **E-Shram Card Registration Drive** with the support of **10 volunteers**. The initiative aimed to help unorganized sector workers register for the Government of India's E-Shram scheme and access available social security benefits.

Community Impact

- Assisted workers in completing their E-

Shram card registration.

- Increased awareness about government welfare schemes for unorganized workers.
- Helped beneficiaries access social security and future government benefits.
- Promoted digital inclusion by supporting citizens with the registration process.

Volunteer Participation

- **Total Volunteers: 10**

Conclusion

The E-Shram Card Registration Drive successfully supported unorganized workers in accessing government welfare benefits and demonstrated Earthmai Foundation's commitment to community empowerment and social development.

Project Report – E-Shram Card Registration Drive

Project Name: E-Shram Card Registration Drive

Date: 27 January 2022

Location: Mumbai

Organized by: Earthmai Foundation

Project Summary

On 27 January 2022, Earthmai Foundation conducted another **E-Shram Card Registration Drive** with the support of **10 volunteers**. The drive focused on assisting unorganized sector workers with E-Shram registration and creating awareness about government welfare schemes.

Community Impact

- Helped workers complete their E-Shram card registration.

- Increased awareness of social security benefits available under the E-Shram scheme.
- Assisted beneficiaries in accessing government welfare programs.
- Promoted digital literacy and public service support.

Volunteer Participation

- **Total Volunteers: 10**

Conclusion

The E-Shram Card Registration Drive was successfully conducted with active volunteer participation, enabling more unorganized workers to register under the E-Shram scheme and benefit from government social security initiatives.

Project Report – E-Shram Card Registration Drive

Project Name: E-Shram Card Registration Drive

Date: 30 January 2022

Location: Mumbai

Organized by: Earthmai Foundation

Project Summary

On 30 January 2022, Earthmai Foundation organized an **E-Shram Card Registration Drive** with the support of **10 volunteers**. The initiative was conducted to assist unorganized sector workers in registering for the E-Shram scheme and ensuring they could access government welfare and social security benefits.

Community Impact

- Assisted workers with E-Shram card

registration.

- Increased awareness about government welfare schemes for unorganized workers.
- Supported beneficiaries in accessing social security benefits.
- Encouraged digital inclusion by helping people complete the registration process.

Volunteer Participation

- **Total Volunteers: 10**

Conclusion

The E-Shram Card Registration Drive was successfully carried out with the active support of volunteers, helping unorganized workers enroll in the E-Shram scheme and promoting social welfare within the community.

Project Report – Girgaon Chowpatty Beach Clean-up Drive

Project Name: Beach Clean-up Drive

Date: 6 February 2022

Location: Girgaon Chowpatty, Mumbai

Organized by: Earthmai Foundation

Project Summary

On 6 February 2022, Earthmai Foundation organized a **Beach Clean-up Drive** at **Girgaon Chowpatty** with the participation of **30 volunteers**. During the drive, approximately **20 kg of plastic waste** was collected and disposed of responsibly to help protect the coastal environment.

Environmental Impact

- Collected and removed **20 kg of plastic waste** from the beach.
- Helped prevent plastic from entering the Arabian Sea.
- Protected marine life from the harmful effects of plastic pollution.
- Contributed to a cleaner and healthier coastal ecosystem.

Community Impact

- Raised awareness about marine pollution and responsible waste disposal.
- Encouraged citizens to reduce the use of single-use plastics.
- Inspired volunteers and beach visitors to participate in environmental conservation.
- Promoted cleanliness and public responsibility toward coastal areas.

Volunteer Participation

- **Total Volunteers:** 30
- **Plastic Waste Collected:** 20 kg

Conclusion

The Beach Clean-up Drive at Girgaon Chowpatty was a successful environmental initiative that improved beach cleanliness, protected marine ecosystems, and encouraged community participation in preserving Mumbai's coastline.

Project Report – Tree Plantation Maintenance Drive

Project Name: Tree Plantation Maintenance Drive

Date: 6 March 2022

Location: Bhandup, Mumbai

Organized by: Earthmai Foundation

Project Summary

On 6 March 2022, Earthmai Foundation organized a **Tree Plantation Maintenance Drive** in **Bhandup** with the participation of **10 volunteers**. The activity focused on maintaining previously planted trees through watering, cleaning, and ensuring their healthy growth for long-term environmental sustainability.

Environmental Impact

- Improved the survival and healthy growth of previously planted trees.
- Promoted long-term urban green cover and biodiversity.
- Enhanced the effectiveness of earlier plantation efforts.
- Contributed to cleaner air and a healthier

environment.

Community Impact

- Encouraged volunteers to take responsibility for the care of planted trees.
- Raised awareness about the importance of post-plantation maintenance.
- Strengthened community participation in environmental conservation.

Volunteer Participation

- **Total Volunteers: 10**

Conclusion

The Tree Plantation Maintenance Drive successfully ensured the care and survival of previously planted trees, reinforcing Earthmai Foundation's commitment to sustainable

environmental conservation and long-term green initiatives.

Project Report – Powai Lake Clean-up Drive

Project Name: Powai Lake Clean-up Drive

Date: 17 April 2022

Location: Powai Lake, Mumbai

Organized by: Earthmai Foundation

Project Summary

On 17 April 2022, Earthmai Foundation organized a **Powai Lake Clean-up Drive** with the participation of **20 volunteers**. During the drive, approximately **15 kg of plastic bottles and other plastic waste** were collected and disposed of responsibly to protect the lake environment.

Environmental Impact

- Removed **15 kg of plastic bottles** from the lake surroundings.
- Helped prevent plastic pollution from entering the water body.
- Protected aquatic life and improved the cleanliness of the lake.
- Promoted a healthier and more sustainable ecosystem.

Community Impact

- Raised awareness about plastic pollution and proper waste disposal.
- Encouraged local residents and visitors to keep the lake clean.
- Inspired community participation in environmental conservation.
- Promoted responsible environmental

practices among volunteers and the public.

Volunteer Participation

- **Total Volunteers:** 20
- **Plastic Waste Collected:** 15 kg

Conclusion

The Powai Lake Clean-up Drive was a successful environmental initiative that improved the cleanliness of the lake, protected aquatic biodiversity, and inspired community participation in preserving natural resources.

Project Report – Tree Plantation Drive

Project Name: Tree Plantation Drive

Date: 17 July 2022

Location: Bhandup, Mumbai

Organized by: Earthmai Foundation

Project Summary

On 17 July 2022, Earthmai Foundation organized a **Tree Plantation Drive in Bhandup** with the participation of **20 volunteers**. During the drive, **50 tree saplings** were planted to enhance the local green cover and promote environmental sustainability.

Environmental Impact

- Planted **50 trees** to improve air quality and increase oxygen levels.
- Contributed to carbon sequestration and climate change mitigation.
- Enhanced biodiversity by creating habitats for birds and small wildlife.
- Strengthened the urban green ecosystem.

Community Impact

- Encouraged local residents and youth to participate in environmental conservation.
- Raised awareness about the importance of tree plantation and protecting nature.
- Promoted community ownership of green spaces and sustainable practices.

Volunteer Participation

- **Total Volunteers:** 20
- **Trees Planted:** 50

Conclusion

The Tree Plantation Drive in Bhandup was successfully conducted with active volunteer participation, contributing to a greener environment and encouraging long-term community involvement in environmental

conservation.

Project Report – Tree Plantation Drive

Project Name: Tree Plantation Drive

Date: 7 August 2022

Location: Mumbai

Organized by: Earthmai Foundation

Project Summary

On **7 August 2022**, Earthmai Foundation organized a **Tree Plantation Drive** with the participation of **25 volunteers**. During the initiative, **50 tree saplings** were planted to increase green cover and promote environmental sustainability.

Environmental Impact

- Planted **50 trees** to improve air quality and increase oxygen levels.
- Enhanced biodiversity by creating habitats for birds and small wildlife.
- Contributed to carbon absorption and climate change mitigation.
- Supported long-term ecological balance and urban greenery.

Community Impact

- Encouraged citizens and youth to participate in environmental conservation.
- Raised awareness about the importance of tree plantation.
- Promoted community responsibility for protecting and maintaining green spaces.
- Inspired volunteers to adopt sustainable environmental practices.

Volunteer Participation

- **Total Volunteers: 25**
- **Trees Planted: 50**

Conclusion

The Tree Plantation Drive was successfully conducted with the active participation of volunteers, contributing to a greener environment and promoting community involvement in sustainable environmental conservation.

Project Report – Girgaon Chowpatty Beach Clean-up Drive

Project Name: Beach Clean-up Drive

Date: 16 October 2022

Location: Girgaon Chowpatty, Mumbai

Organized by: Earthmai Foundation

Project Summary

On **16 October 2022**, Earthmai Foundation organized a **Beach Clean-up Drive** at **Girgaon Chowpatty** with the participation of **20 volunteers**. During the drive, approximately **10 kg of waste** was collected and disposed of responsibly to help maintain a clean and healthy coastal environment.

Environmental Impact

- Removed **10 kg of waste** from the beach.
- Helped reduce pollution along the coastline.
- Protected marine life by preventing waste from entering the sea.
- Contributed to a cleaner and healthier beach ecosystem.

Community Impact

- Raised awareness about beach cleanliness and responsible waste disposal.
- Encouraged citizens to reduce littering and plastic usage.
- Inspired volunteers and visitors to actively participate in environmental conservation.
- Promoted community responsibility for protecting public spaces.

Volunteer Participation

- **Total Volunteers:** 20
- **Waste Collected:** 10 kg

Conclusion

The Girgaon Chowpatty Beach Clean-up Drive successfully improved the cleanliness of the beach, promoted environmental awareness, and

encouraged community participation in protecting Mumbai's coastal ecosystem.

Project Report – Clothes Distribution Drive

Project Name: Clothes Distribution Drive

Date: 19 February 2023

Location: Mumbai

Organized by: Earthmai Foundation

Project Summary

On **19 February 2023**, Earthmai Foundation organized a **Clothes Distribution Drive** with the support of **10 volunteers**. The initiative aimed to provide clean and wearable clothes to underprivileged individuals and families, helping improve their comfort and well-being.

Community Impact

- Distributed clothes to needy individuals and families.
- Supported economically disadvantaged communities with essential clothing.
- Promoted dignity, care, and social inclusion.
- Encouraged community participation in donation and humanitarian service.

Volunteer Participation

- **Total Volunteers: 10**

Conclusion

The Clothes Distribution Drive was successfully conducted with the active support of volunteers, bringing essential clothing to those in need and reinforcing Earthmai Foundation's commitment to humanitarian service and community welfare.

Project Report – Powai Lake Clean-up Drive

Project Name: Powai Lake Clean-up Drive

Date: 4 June 2023

Location: Powai Lake, Mumbai

Organized by: Earthmai Foundation

Project Summary

On **4 June 2023**, Earthmai Foundation organized a **Powai Lake Clean-up Drive** with the participation of **20 volunteers**. During the drive, approximately **10 kg of waste** was collected from the lake surroundings and disposed of responsibly to protect the local ecosystem.

Environmental Impact

- Removed **10 kg of waste** from the lake area.
- Helped reduce pollution and prevent waste

from entering the water body.

- Protected aquatic life and improved the cleanliness of the lake.
- Promoted environmental conservation and sustainable waste management.

Community Impact

- Raised awareness about keeping water bodies free from litter.
- Encouraged local residents and visitors to adopt responsible waste disposal practices.
- Inspired volunteers to actively participate in environmental protection.
- Promoted community ownership of public spaces.

Volunteer Participation

- **Total Volunteers:** 20
- **Waste Collected:** 10 kg

Conclusion

The Powai Lake Clean-up Drive successfully contributed to a cleaner environment, protected the lake ecosystem, and encouraged community participation in preserving natural resources.

Project Report – Dadar Chowpatty Beach Clean-up Drive

Project Name: Beach Clean-up Drive

Date: 3 September 2023

Location: Dadar Chowpatty, Mumbai

Organized by: Earthmai Foundation

Project Summary

On **3 September 2023**, Earthmai Foundation organized a **Beach Clean-up Drive** at **Dadar Chowpatty** with the participation of **15**

of waste was collected and disposed of responsibly to help protect the coastal environment.

Environmental Impact

- Removed **25 kg of waste** from the beach.
- Helped reduce plastic and other waste from entering the Arabian Sea.
- Protected marine life and improved the cleanliness of the coastline.
- Promoted sustainable waste management and environmental conservation.

Community Impact

- Raised awareness among beach visitors about responsible waste disposal.
- Encouraged citizens to avoid littering and reduce single-use plastic.
- Inspired volunteers and local residents to

participate in cleanliness drives.

- Strengthened community responsibility for protecting public spaces.

Volunteer Participation

- **Total Volunteers:** 15
- **Waste Collected:** 25 kg

Conclusion

The Dadar Chowpatty Beach Clean-up Drive was successfully conducted, contributing to a cleaner coastline, increased public awareness, and stronger community participation in environmental conservation.

Project Report – Food & Grocery Distribution Drive

Project Name: Food & Grocery Distribution Drive

Date: 12 November 2023

Location: Bhandup, Mumbai

Organized by: Earthmai Foundation

Project Summary

On **12 November 2023**, Earthmai Foundation organized a **Food & Grocery Distribution Drive** in **Bhandup** with the support of **10 volunteers**. The initiative aimed to provide essential food items and groceries to underprivileged families, helping them meet their basic nutritional needs.

Community Impact

- Distributed food and grocery kits to needy families.
- Supported economically weaker households with essential supplies.
- Helped reduce the burden of daily food

expenses.

- Promoted compassion, community welfare, and volunteerism.

Volunteer Participation

- **Total Volunteers: 10**

Conclusion

The Food & Grocery Distribution Drive was successfully conducted with the active participation of volunteers. The initiative provided immediate relief to underprivileged families and reflected Earthmai Foundation's commitment to humanitarian service and community welfare.

Project Report – Clothes

Distribution Drive

Project Name: Clothes Distribution Drive

Date: 26 November 2023

Location: Bhandup East, Mumbai

Organized by: Earthmai Foundation

Project Summary

On **26 November 2023**, Earthmai Foundation organized a **Clothes Distribution Drive** in **Bhandup East** with the support of **10 volunteers**. The initiative aimed to distribute clean and wearable clothes to underprivileged individuals and families, promoting dignity and community welfare.

Community Impact

- Distributed clothes to needy individuals and families.
- Supported economically weaker sections

with essential clothing.

- Promoted dignity, care, and social inclusion.
- Encouraged volunteerism and community participation in humanitarian service.

Volunteer Participation

- **Total Volunteers: 10**

Conclusion

The Clothes Distribution Drive was successfully conducted with the active participation of volunteers, providing essential clothing to those in need and reinforcing Earthmai Foundation's commitment to serving underprivileged communities.

Project Report – Girgaon

Chowpatty Beach Clean-up Drive

Date: 29 January 2024

Location: Girgaon Chowpatty, Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a Beach Clean-up Drive at Girgaon Chowpatty with the participation of **20 volunteers**. During the drive, approximately **10 kg of waste** was collected and disposed of responsibly.

Environmental Impact

- Removed 10 kg of waste from the beach.
- Helped protect marine life and reduce coastal pollution.
- Promoted a cleaner and healthier beach environment.

Community Impact

- Raised awareness about beach cleanliness.
- Encouraged responsible waste disposal and community participation.

Volunteer Participation

- Total Volunteers: 20
- Waste Collected: 10 kg

Conclusion

The drive successfully contributed to a cleaner coastline and encouraged environmental responsibility among the community.

Project Report – Lunch

Distribution Drive

Date: 9 May 2024

Location: Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a **Lunch Distribution Drive** to provide freshly prepared meals to people in need. A total of **25 beneficiaries** received nutritious meals.

Community Impact

- Served fresh meals to 25 needy individuals.
- Supported food security and reduced hunger.
- Promoted compassion and community welfare.

Beneficiaries

- **People Served: 25**

Conclusion

The Lunch Distribution Drive provided immediate food support to those in need and reflected Earthmai Foundation's commitment to humanitarian service.

Project Report – Dadar Beach Clean-up Drive

Date: 8 September 2024

Location: Dadar Chowpatty, Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a Beach Clean-up Drive at Dadar Chowpatty with the participation of **10 volunteers**. During the activity, approximately **15 kg of waste** was collected.

Environmental Impact

- Removed 15 kg of waste from the beach.
- Reduced pollution and protected the coastal ecosystem.
- Helped prevent waste from entering the sea.

Community Impact

- Increased awareness about beach cleanliness.
- Encouraged public participation in environmental conservation.

Volunteer Participation

- **Total Volunteers:** 10
- **Waste Collected:** 15 kg

Conclusion

The clean-up drive contributed to a cleaner beach and inspired citizens to protect the environment.

Project Report – Beach Clean-up Drive

Date: 15 December 2024

Location: Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a Beach Clean-up Drive with the support of **12 volunteers**.

During the drive, approximately **10 kg of waste** was collected and disposed of responsibly.

Environmental Impact

- Removed 10 kg of waste from the beach.
- Helped protect marine biodiversity.
- Improved the cleanliness of the coastal area.

Community Impact

- Encouraged responsible waste disposal.
- Motivated citizens to participate in cleanliness initiatives.

Volunteer Participation

- **Total Volunteers:** 12
- **Waste Collected:** Approx. 10 kg

Conclusion

The initiative successfully promoted environmental awareness and community participation in protecting public spaces.

Project Report – Clothes Distribution Drive

Date: 6 April 2025

Location: Bhandup East, Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a **Clothes Distribution Drive in Bhandup East** with the support of **10 volunteers**. The initiative aimed to distribute clean and usable clothes to underprivileged individuals and families.

Community Impact

- Distributed clothes to needy families.
- Supported economically weaker communities.
- Promoted dignity, care, and social welfare.
- Encouraged volunteerism and community service.

Volunteer Participation

- **Total Volunteers: 10**

Conclusion

The Clothes Distribution Drive successfully provided essential clothing to people in need and strengthened Earthmai Foundation's commitment to humanitarian service.

Project Report – Tree Plantation Drive

Date: 3 August 2025

Location: Navi Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a **Tree Plantation Drive** in Navi Mumbai with the participation of **18 volunteers**. During the drive, **50 tree saplings** were planted to enhance green

cover and promote environmental sustainability.

Environmental Impact

- Planted **50 trees** to improve air quality.
- Increased urban green cover and biodiversity.
- Supported long-term climate resilience through carbon absorption.

Community Impact

- Encouraged environmental responsibility among citizens.
- Inspired youth to participate in green initiatives.

Volunteer Participation

- **Total Volunteers: 18**
- **Trees Planted: 50**

Conclusion

The plantation drive contributed to a greener and healthier environment while encouraging community participation in conservation efforts.

Project Report – Juice Distribution Drive (Ganesh Visarjan)

Date: 6 September 2025

Location: Mumbai

Organized by: Earthmai Foundation

Project Summary

During **Ganesh Visarjan**, Earthmai Foundation organized a **Juice Distribution Drive** with the support of **15 volunteers** to provide

refreshments to devotees, volunteers, police personnel, and frontline workers.

Community Impact

- Distributed refreshing juice to people participating in Ganesh Visarjan.
- Helped prevent dehydration during long hours of celebration.
- Promoted community service and volunteerism.

Volunteer Participation

- **Total Volunteers: 15**

Conclusion

The initiative provided timely refreshments and reflected Earthmai Foundation's commitment to public service during large community events.

Project Report – Tree Plantation Drive

Date: 24 September 2025

Location: Bhandup West, Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a **Tree Plantation Drive** in Bhandup West with the participation of **50 volunteers**. During the drive, **60 tree saplings** were planted to strengthen the local green ecosystem.

Environmental Impact

- Planted **60 trees** to improve air quality.

- Enhanced biodiversity and urban greenery.
- Contributed to long-term environmental sustainability.

Community Impact

- Encouraged community participation in environmental conservation.
- Raised awareness about the importance of tree plantation.

Volunteer Participation

- **Total Volunteers:** 50
- **Trees Planted:** 60

Conclusion

The initiative successfully promoted environmental awareness and increased green cover in Bhandup West.

Project Report – Dadar Beach Clean-up Drive

Date: 11 October 2025

Location: Dadar Chowpatty, Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a **Mega Beach Clean-up Drive** at Dadar Chowpatty with the participation of **150 volunteers**. Approximately **100 kg of waste** was collected and disposed of responsibly.

Environmental Impact

- Removed **100 kg of waste** from the beach.

- Protected marine life from pollution.
- Improved the cleanliness of Mumbai's coastline.

Community Impact

- Raised awareness about plastic pollution.
- Encouraged large-scale community participation in environmental conservation.

Volunteer Participation

- **Total Volunteers:** 150
- **Waste Collected:** Approximately 100 kg

Conclusion

The clean-up drive significantly improved the beach environment and demonstrated the power of collective community action.

Project Report – Tree Plantation Drive

Date: 12 October 2025

Location: Bhandup West, Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation conducted a **Tree Plantation Drive** in Bhandup West with the participation of **100 volunteers**. A total of **100 tree saplings** were planted to promote a greener and healthier environment.

Environmental Impact

- Planted **100 trees** to improve air quality.
- Increased urban green cover and biodiversity.

- Supported long-term climate action.

Community Impact

- Motivated citizens to participate in environmental initiatives.
- Promoted awareness about tree conservation.

Volunteer Participation

- **Total Volunteers:** 100
- **Trees Planted:** 100

Conclusion

The plantation drive strengthened community involvement and contributed to environmental sustainability.

Project Report – Bhandup Station Cleanliness Drive

Date: 18 January 2026

Location: Bhandup Railway Station, Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a **Cleanliness Drive at Bhandup Railway Station** with the participation of **75 volunteers**. The initiative focused on cleaning public spaces and spreading awareness about hygiene and responsible waste disposal.

Community Impact

- Improved cleanliness in and around the railway station.

- Encouraged commuters to maintain public hygiene.
- Promoted the importance of keeping public spaces clean.

Volunteer Participation

- **Total Volunteers: 75**

Conclusion

The cleanliness drive created awareness about sanitation and encouraged community responsibility for maintaining clean public infrastructure.

Project Report – Powai Lake Clean-up Drive

Date: 24 January 2026

Location: Powai Lake, Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a **Powai Lake Clean-up Drive** with the participation of **60 volunteers**. Approximately **20 kg of waste** was collected from the lake surroundings and disposed of responsibly.

Environmental Impact

- Removed **20 kg of waste** from the lake area.
- Protected aquatic life and improved waterbody cleanliness.
- Reduced pollution around the lake ecosystem.

Community Impact

- Raised awareness about protecting water bodies.
- Encouraged community participation in environmental conservation.

Volunteer Participation

- **Total Volunteers:** 60
- **Waste Collected:** 20 kg

Conclusion

The clean-up drive successfully promoted environmental awareness and contributed to the conservation of Powai Lake.

Project Report – Poster Making

Competition & Awareness Program

Date: 6 February 2026

Location: Shri Ram College of Commerce and Science, Mumbai

Organized by: Earthmai Foundation

Project Summary

Earthmai Foundation organized a **Poster Making Competition and Awareness Program** at Shri Ram College of Commerce and Science. The event focused on creating awareness about **Road Safety, Anti-Drug Abuse, and Cyber Fraud** through creative student participation.

Community Impact

- Increased awareness about road safety, cybercrime prevention, and drug abuse.
- Encouraged students to express social messages through creative posters.

- Promoted responsible citizenship and youth engagement in social issues.

Conclusion

The event successfully educated students on important social issues while encouraging creativity, awareness, and active participation in building a safer and more responsible society.

Project Report – Road Safety Awareness Rally

Date: 13 February 2026

Location: Bhandup to Nahur, Mumbai

Organized by: Earthmai Foundation

Project Summary

On 13 February 2026, Earthmai Foundation

organized a **Road Safety Awareness Rally** from **Bhandup to Nahur** with the participation of **125 volunteers**. The rally aimed to educate commuters, pedestrians, motorists, and the local community about the importance of following traffic rules and adopting safe road practices.

Community Impact

- Reached hundreds of commuters and local residents with road safety awareness messages.
- Promoted the use of helmets, seat belts, and adherence to traffic signals.
- Encouraged pedestrians to use zebra crossings and follow road safety guidelines.
- Increased public awareness about responsible driving and accident prevention.
- Inspired youth and citizens to become responsible road users.

responsible road users.

Volunteer Participation

- **Total Volunteers: 125**

Conclusion

The Road Safety Awareness Rally was successfully conducted with enthusiastic participation from volunteers. The initiative strengthened public awareness about traffic safety, encouraged responsible road behavior, and contributed towards building safer roads for the community.

Project Report – Powai Lake Clean-up Drive

Date: 15 March 2026

Location: Powai Lake, Mumbai

Organized by: Earthmai Foundation

Project Summary

On **15 March 2026**, Earthmai Foundation organized a **Powai Lake Clean-up Drive** with the participation of **120 volunteers**. During the drive, approximately **26 kg of waste** was collected from the lake surroundings and disposed of responsibly to protect the local ecosystem.

Environmental Impact

- Removed approximately **26 kg of waste** from the lake area.
- Helped reduce pollution and protect aquatic biodiversity.
- Prevented plastic and other waste from entering the water body.

- Promoted environmental conservation and sustainable waste management.

Community Impact

- Raised awareness about protecting lakes and water bodies.
- Encouraged responsible waste disposal among visitors and local residents.
- Inspired volunteers to actively participate in environmental conservation.

Volunteer Participation

- **Total Volunteers:** 120
- **Waste Collected:** Approximately 26 kg

Conclusion

The Powai Lake Clean-up Drive successfully improved the cleanliness of the lake, protected

the ecosystem, and encouraged large-scale community participation in environmental conservation.

Project Report – World Environment Day Tree Plantation Drive

Date: 5 June 2026

Location: Mumbai

Partner: Exponentia.ai

Organized by: Earthmai Foundation

Project Summary

On **World Environment Day (5 June 2026)**, Earthmai Foundation, in collaboration with **Exponentia.ai**, organized a **Tree Plantation Drive**

with the participation of **25 volunteers**. During the initiative, **20 tree saplings** were planted to promote environmental sustainability and increase urban green cover.

Environmental Impact

- Planted **20 trees** to improve air quality and enhance green cover.
- Contributed to carbon absorption and climate resilience.
- Supported biodiversity and long-term ecological sustainability.

Community Impact

- Strengthened collaboration between the corporate sector and the community for environmental conservation.
- Encouraged employees and volunteers to participate in sustainability initiatives.

- Raised awareness about the importance of tree plantation on World Environment Day.

Volunteer Participation

- **Total Volunteers:** 25
- **Trees Planted:** 20

Conclusion

The World Environment Day Tree Plantation Drive, conducted in partnership with **Exponentia.ai**, successfully promoted environmental responsibility, strengthened corporate-community collaboration, and contributed to creating a greener and healthier environment.
